Merced Irrigation District is ending its irrigation season.

The District will accept final water orders up to 5 p.m. on Wednesday, Oct. 15. The irrigation season will end at midnight on Oct. 18. Out-of-season water will be available on a limited basis beginning Oct. 19.

At the end of October, MID prepares its system for the storm season. Lake Yosemite and many other MID facilities are used to help divert seasonal storm flows from the foothills to the nearest natural waterways. Also, during the winter months MID undertakes construction and maintenance projects on its water distribution system.

Growers can order water using the following options:

- The Automated Phone Ordering System can be reached anytime at 866-825-2475.
- Call Customer Service: 209-722-2720 or 1-800-750-2720.
- Access the MID Website at www.mercedid.org
- Faxes can be sent to 209-722-1457.
- In person at the Main Office/Customer Service Department: 744 W. 20th Street, Merced, CA 95344. (Monday through Friday during irrigation season 8 a.m. to 5 p.m.)
