

Solicitation Award Notice
Cooper Substation Modifications
MID-IFB-2018-12

December 18, 2018

To: Cooper Substation Modifications Bidders

From: Annmarie Felsing, Purchasing Analyst

Merced Irrigation District is pleased to announce that Hot Line Construction, Inc., has been selected as the contractor for the Cooper Substation Modifications Project.

Thank you to all who participated in the bid process. You will be retained in our system for future solicitations.

Best regards,

A handwritten signature in blue ink that reads "Annmarie Felsing".
